"Subverts the simplistic sunshine/reggae/spliff-smoking image of Jamaica at almost every turn . . . with a rich interplay of geographies and themes." —Los Angeles Times From Trench Town to Half Way Tree to Norbrook to Portmore and beyond, the stories of Kingston Noir shine light into the darkest corners of this fabled city. Joining award-winning Jamaican authors such as Marlon James, Leone Ross, and Thomas Glave are two "special guest" writers with no Jamaican lineage: Nigerian-born Chris Abani and British writer Ian Thomson. The menacing tone that runs through some of these stories is counterbalanced by the clever humor in others, such as Kei Miller's "White Gyal with a Camera," who softens even the hardest of August Town's gangsters; and Mr. Brown, the private investigator in Kwame Dawes's story, who explains why his girth works to his advantage: "In Jamaica a woman like a big man. She can see he is prosperous, and that he can be in charge." Together—with more contributions from Patricia Powell, Colin Channer, Marcia Douglas, and Christopher John Farley—the outstanding tales in Kingston Noir comprise the best volume of short fiction ever to arise from the literary wellspring that is Jamaica. "Thoroughly well-written stories . . . fans of noir will enjoy this batch of sordid tales set in the sweltering heat of the tropics." —Publishers Weekly "An eclectic and gritty mélange of tales that sears the imagination . . . Kingston Noir proves its worth as a quintessential piece of West Indian literature—rich, artistic, timeless, and above all, draped in unmistakable realism." —The Gleaner (Jamaica)

This new anthology of gospel literature contains texts that are not part of the New Testament but are of great importance for the study of Christian origins. Some of these apocryphal gospels are from the Nag Hammadi library, made available only recently. The sixteen texts constitute what remains of the non-canonical gospels from the first and second centuries. They transmit saying of Jesus and relate stories about Jesus.

This smile-inducing book features countless color illustrations of scenarios that are simply incomplete without the whole family. "We without you? What would we do? Like crafts without glue. An oh-so-cute baby shower, mom-to-mom, or mom-to-kid gift for Valentine's Day or just because, *We Without You* will be shared and enjoyed by the entire family again and again.

Taking a job as an assistant to extreme sports enthusiast Will, who is wheelchair bound after a motorcycle accident, Louisa struggles with her employer's acerbic moods and learns of his shocking plans before demonstrating to him that life is still worth living.

Perfect for fans of Becky Albertalli's *Simon vs. the Homo Sapiens Agenda* and A. S. King's *Still Life with Tornado*, this story of parallel time lines cleverly explores how our choices can change and shape us--as well as the ways in which choices don't change the core of our being at all. When Chris Schweitzer takes a hit of whippets and passes out face first on the cement, his nose isn't the only thing that changes forever. Instead of staying home with his friends for the last summer after high school, he's shipped off to live with his famous physicist but royal jerk of a father to prove he can "play by the rules" before Dad will pay for college. Or . . . not. In an alternate time line, Chris's parents remain blissfully ignorant about the accident, and life at home goes back to normal--until it doesn't. A new spark between his two best (straight) friends quickly turns Chris into a (gay) third wheel, and even worse, the truth about the whippets incident starts to unravel. As his summer explodes into a million messy pieces, Chris wonders how else things might have gone. Is it possible to be jealous of another version of yourself in an alternate reality that doesn't even exist? With musings on fate, religion, parallel universes, and the best way to eat a cinnamon roll, *Me Myself & Him* examines how what we consider to be true is really just one part of the much (much) bigger picture. "Wildly ingenious,...altogether, the novel's a winner in this and any other universe."-Booklist, Starred Review "Tebbetts creates entertaining dual narratives...[and] enjoyable Easter eggs."-Publishers Weekly "An engaging story that examines love, relationships, and the different paths one's life can take...[perfect] for fans of Adam Silvera and Becky Albertalli's *What if It's Us*, Bill Konigsberg's *The Music of What Happens*, and Robyn Schneider's *The Beginning of Everything*."--SLJ

"Equal parts wry comedy and touching family drama, it's ultimately a heartbreaker that'll stay with you long after you're done." —Marie Claire "Glass of chilled rosé, check. Comfy chair, check. Box of tissues, check. *You Me Everything* is everything you need for a moving, funny, heartbreaking, and ultimately joyous read." --Susan Wiggs, #1 New York Times bestselling author of *Map of the Heart* Set in the French countryside on an idyllic summer vacation, a delicious, tender novel about finding joy and love even in the most unexpected places. Jess and her ten-year-old son William set off to spend the summer at Château de Roussignol, deep in the rich, sunlit hills of the Dordogne. There, Jess's ex-boyfriend—and William's father—Adam, runs a beautiful hotel in a restored castle. Lush gardens, a gorgeous pool, delectable French food, and a seemingly never-ending wine list—what's not to like? Jess is bowled over by what Adam has accomplished, but she's in France for a much more urgent reason: to make Adam fall in love with his own son. But Adam has other ideas, and another girlfriend—and he doesn't seem inclined to change the habits of a lifetime just because Jess and William have appeared on the scene. Jess isn't surprised, but William—who has quickly come to idolize his father—wants nothing more than to spend time with him. But Jess can't allow Adam to let their son down—because she is tormented by a secret of her own, one that nobody—especially William—must discover. By turns heartwrenching and hopeful, *You Me Everything* is a novel about one woman's fierce determination to grab hold of the family she has and never let go, and a romantic story as heady as a crisp Sancerre on a summer day.

William Shakespeare (1564-1616) excels in plot, poetry and wit, and his talent encompasses the tragedies of "Hamlet", "King Lear", "Othello", and "Macbeth" as well as history plays and the comedies such as "A Midsummer Night's Dream", and "As You Like It". This volume presents his plays in the chronological order in which they were written.

This book merges and harmonizes the four Gospels of Matthew, Mark, Luke, and John into one. This unified version, which I call The Gospel, is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry. I consolidated these sources by identifying common denominators among them as well as parts that are unique to each, and then interweaving it all into a single narrative, using only original texts. This integrated version may offer greater incentive to our youth, laymen, and non-believers as well as professionals to read and learn more about what Jesus did and taught. (Acts 1:1). In the past, there have been many attempts to make the four Gospels easier for readers, often displaying similar episodes in parallel columns, in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another; however, in regard to the text itself, previous books do not rise to the level of precision and completeness that is achieved here. Answering this need for a clear chronological telling of The Story of Jesus, this book unifies every account of the four Gospels into a single story, without omitting or compromising any part. On a given topic in Jesus ministry, this book uses as its base whichever gospel is the greatest common denominator, consolidates identical or similar parts from other Gospels, and integrates

the unique and different elements of each book into a single story.
