A young, orphaned shapeshifter in a world that fears magic must risk everything if she hopes to save her only friend in Elayne Audrey Becker's Forestborn, first in a new fantasy series with a timeless feel. Download a FREE sneak peek today! TO BE BORN OF THE FOREST IS A GIFT AND A CURSE. Rora is a shifter, as magical as all those born in the wilderness—and as feared. She uses her abilities to spy for the king, traveling under different guises and listening for signs of trouble. When a magical illness surfaces across the kingdom, Rora uncovers a devastating truth: Finley, the young prince and her best friend, has caught it, too. His only hope is stardust, the rarest of magical elements, found deep in the wilderness where Rora grew up—and to which she swore never to return. But for her only friend, Rora will face her past and brave the dark, magical wood, journeying with her brother and the obstinate, older prince who insists on coming. Together, they must survive sentient forests and creatures unknown, battling an ever-changing landscape while escaping human pursuers who want them dead. With illness gripping the kingdom and war on the horizon, Finley's is not the only life that hangs in the balance. Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who

wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In Beautiful Things, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

Welcome to Merriam-Webster Kids! Fall 2021 marks the debut of our new imprint that serves our mission to help kids better

understand and communicate with the world around them through highly engaging content designed to foster a love of language and learning from an early age. Our list is small, yet focused; over time you will see it build across all categories and ages that serve ages 0-12 and the families, teachers, and librarians that support them. Merriam-Webster is storming the category with a 150 first word board book experience grounded in the principles of child development. The interactive experience encourages toddlers' language learning through the repetition of simple words and phrases, using tried-and-true authoritative language technique, written by a speech-language pathologist. While most first words books list nouns, our book naturally weaves 150 words around everyday illustrations readers will recognize from their own daily routines. Along the border of each spread, we've included photographs of every illustrated item to encourage an additional search-and-find opportunity for parents and their babies. Hosted by nine ethnically-diverse babies, it's a search-and-find experience that will delight parents and caregivers. Give toddlers the gift of language with words and short phrases to say all day long, ages 6-18 months. This engaging large-format board book encourages toddlers' language learning through the repetition of simple words and one-, two-, and three-word phrases for everyday objects and activities. Under speech development expert Claire Davis's sure hand, dressing, mealtime, playtime, bath time, and all the other routines of the day become opportunities for babies to learn new words and phrases. Author and speech-language pathologist Claire Davis uses tried-and-true, authoritative language based on the principles of child development. In a brief introduction, Davis coaches parents and other caregivers in her proven methods for getting babies talking. Features nine babies of different ethnic backgrounds and settings from around the world. Each spread includes photographs of babies and everyday objects alongside illustrated scenes showing them in action-creating a matching game on every page to allow more time for parents and babies to connect. From the largest team of dictionary editors and writers in America, and one of the largest in the world, thank-you for supporting us and Merriam-Webster Kids.
