„Ich kann dir alles geben“, flüsterte er, trotz der Lüge lächelnd. Ich musste nur niederknien... Die Kaledonier kommen bewaffnet, obwohl ihr Angebot Friede ist. Sie glauben, uns mit dem Versprechen einer neuen Ära des Komforts und der Leichtigkeit verführen zu können. Sie sagen, dass unsere Länder zusammen erblühen werden, das sie uns vor uns selbst retten können – im Tausch gegen Tritans Geheimnisse: unsere Kenntnisse der mystischen Kunst des Ki-Schwingens. Wenn wir uns nicht mit diesen kriegerischen Barbaren zusammentun, die keine Widerworte gewohnt sind, werden wir ihnen zum Opfer fallen. Diese Eroberer machen niemandem etwas vor. Sie wollen mein Volk versklaven und unsere Priesterinnen für ihre eigenen, kranken Zwecke missbrauchen. Aber ich werde nicht niederknien. Besonders nicht vor ihm. Captain Asher Rawlings. Mächtig... Elitär... Unerbittlich... Es ist seine Aufgabe, mich zu jagen und mich in Ketten zu legen – und er genießt diese Mission, denn seit er meine Lippen geschmeckt hat, hungert er nach meiner Unterwerfung mehr als nach allem anderen... In einem einzigen Augenblick wird ihm das tödliche Geheimnis vor Augen geführt, das ich seit Jahren in mir trage. Er weiß, was ich bin, wozu ich fähig sein könnte, und was ihn anzieht ist mein Feuer... mein Ki... Mit einem Kuss flößt er mir Lügen eines behüteten Lebens auf Knien ein, zu seinen Füßen – eines Lebens als verhätscheltes Haustier. Aber ich oder mein Ki werden ihm nie gehören, denn sein Verrat gab mir eine

Kraft, mit der selbst er nicht gerechnet hatte. Eines ist sicher – entweder wird er mich in die Knie zwingen oder ich werde sie alle töten.

MINE TO PROTECT. MINE TO PUNISH. MINE. I'm a lone wolf, and I like it that way. Banished from my birth pack after a bloodbath, I never wanted a mate. Then I meet Kylie. My temptation. We're trapped in an elevator together, and her panic almost makes her pass out in my arms. She's strong, but broken. And she's hiding something. My wolf wants to claim her. But she's human, and her delicate flesh won't survive a wolf's mark. I'm too dangerous. I should stay away. But when I discover she's the hacker who nearly took down my company, I demand she submit to my punishment. And she will. Kylie belongs to me. A Highlander and Viking claim their woman... For over a hundred years, the Berserker warriors have fought and killed for kings. There is but one enemy we cannot defeat: the beast within. A witch told us of the one who can save us--a woman marked by the wolf. We found and claimed her. But will she accept us as mates? Can she soothe our feral nature before it is too late? Highland werewolf Daegan never expected to defeat the curse of his bloodline. But when a prophecy tells of a woman who might cure his Berserker rage, he and his Viking warrior brother will stop at nothing to claim her. They bring her to their mountain home and train her according to pack rules. She is their captive; they will never let her go. For only she can save them before the Berserker curse destroys them all... * A dark fantasy romance... He's brutal. He's dangerous. He's seven years behind on his taxes. Enter me. Tania McMillan. Tax accountant. If I can get Tyrant (yes, that's actually his name) to stop laying waste to his enemies for a moment, I might be able to decide if boiling hot space oil is a combat deductible, or an entertainment expense. I'm on contract to him until we can sort his Galactic tax debt. He seems to think he owns me.

Sometimes submission comes at the end of a leash....

Blythe Wainwright thought she had her life together. At twenty-eight, as an anthropologist studying other planets in the galaxy, she had become comfortable with the predictability of her life. However, that steady calm ended the day their ship crashed onto the shores of the coastal town of Endermere, on the Planet Pra'kir.

Suddenly, her fate, and that of her four other shipmates, was in the hands--and at the mercy--of the Pra'kirians.

With no wife or children, Dr. Xan Breckett had been married to his career, climbing the ranks, becoming a respected member of the medical field. But he had aspirations for himself with no clear indication of how to attain them until the Council of Nine gave him one of the aliens that had crashed onto their shores from Terra. The red-haired beauty assigned to him might be the key to opening doors... doors he didn't know existed. But until he attained his career goals he'd train his ward--and pet-- along with Ganza, the nurse, and his assistant, Billex. Blythe's biting had been a nuisance in detention, but Xan knew how to treat a human whose only form of

communication seemed to be biting, like an animal. He'd cure her of the vile behavior (and others, as well) no matter what harsh methods it took. Though she was a grown woman, Blythe found herself held captive as a ward and pet in a household reminiscent of Victorian Earth. Under the authority of a very large, stern Pra'kirian - and one who expected complete and abject obedience she feared she had little hope of mercy. But if she obeyed her stern captor, could she find contentment - and perhaps even happiness? SHE SURVIVED THE CRASH... THEY'LL MAKE HER WISH SHE HADN'T HE DOESN'T WANT ME TO OFFER. HE PREFERS TO TAKE. DEMAND. CONQUER. I only intended to seduce the alien warrior. Because the game was to survive. Ingratiate myself to a new master. I never thought I'd fall for the giant horned warrior who rescued me from slavery. But it's easy to make him lose control. All I have to do is tempt him, and his need to master me takes over. His species battles to take back their planet. All of our futures dangle by a thread. We should cling together as we fight for freedom, but I'm afraid. When he learns my secret, it just may be the end for us. Devour USA Today Bestselling Author Renee Rose's steamy stand-alone romance in the interconnected Zandian Masters series today! could get a girl into trouble? Or that an e-reader could also be the gateway to another galaxy? I definitely didn't... but here I am anyway, mated to the Tsenturion High Commander just like the unwilling human heroines in my favorite sci-fi romances. The Commander demands obedience. He intends to claim me, train me, and turn me into his perfect little pleasure trophy. He doesn't believe in love. I don't believe in giving in without a fight. There's no amount of discipline or ecstasy that could break me to his will... I hope. Alien Captive is a hot alien abduction romance, starring one feisty human and the Tsenturion Warrior strong enough to master her. General Augustus Bron, Commander of the Traoian Iron Guard, has never approved of the practice of capturing human women and training them to serve the rich and powerful of his world. He knows, however, that success in politics is all but impossible without the social status granted by ownership of a human pet, and with his planet in desperate need of new leadership he sees little choice but to obtain one for himself. When she pieces together a connection between five missing women, reporter Phaedra Ellis knows she is onto something big, but before she can go public with her story she is taken from her apartment in the middle of the night and brought to a facility unlike anything she has ever seen before. To her shock, Phaedra is informed

that she is no longer on Earth, and more disturbing still, she is now the property of a huge, powerful alien warrior who will not hesitate to bare her bottom and spank her soundly should she dare to disobey him. After an intimate, deeply humiliating medical examination confirms her suitability as a pet, Bron begins Phaedra's training. Though taming her will require a firm hand and punishments much more shameful than a mere spanking may be necessary from time to time, he has no doubt that he is up to the task. But despite his efforts to remain stoic, his beautiful little human has soon claimed a place in his heart. When Bron's enemies seek to use his growing love for Phaedra against him, can the battle-hardened soldier find a way to protect both his planet and his pet? Take it Like a Vamp by Candace Havens Vampire Nick Christos might've been born in the Middle Ages, but the good old days seem tame compared to the last eight years he's spent ruling the Supernatural Council. His only respite is with his cute neighbor Casey Meyers, a woman he wants more than any undead man should. Sure, he's forced to take a cold shower after every encounter, but there's no way he'll test his own strength by getting too close to a human, and he's not willing to risk her life--not with bloodthirsty family on the prowl out to ruin Nick's life. When said Nick's kin shows up, the innocent Casey is caught in the middle of a centuries old fight, and Nick's biggest fear is realized. Now, instead of keeping his hands off his neighbor, he'll risk everything to save the human he's come to love.

From the author who created the romantic horror genre comes the first book in her highly acclaimed Forbidden Game trilogy. Reissu.

Life has been harsh, but after a horrible childhood, Park was finally content with her life. Her beautiful home sat on the edge of the Pacific Ocean in Los Angeles, she had her dream job, and good friends she trusted. Then she's abducted, car-jacked by a stunningly sexy man who she realizes is dangerously crazy...he thinks he's a vampire. Park plays along until she can escape, until she discovers that there are things out there people like her never knew existed. Life changed instantly in one night...vampires do exist and she herself is something more than she ever knew. He'd been alive over three hundred years with little complications. But when Bas went to do a simple errand to get a ride on a busy street in L.A. late one night, he found the impossible...a human he couldn't resist. Only, after a taste, he knew...she was something more than human...something different. A complication and a mystery on a night all he wanted was transportation home and away from an enemy he wasn't prepared to fight...yet. He wasn't looking for her, anything like her, and yet he couldn't think

about letting her go. Yes, he wanted to know what she was, and he needed to protect her from his enemy, but even more than that...somewhere deep inside an old battle-weary vampire, his human heart told him that the time may have come to feel love again. Park had always thought she was broken...was never good enough...she'd been taught that often enough as a little girl who lived in the dark. But sometimes things have to fall apart so they can fall together the way they were always meant to be. SHE'S GETTING A FAKE BOYFRIEND--ME.

WHETHER SHE LIKES IT OR NOT. The leggy car thief is trouble with a capital T. My brother went down because of her I need to find him before the cops do. Which means I'm not letting her out of my sight. Anywhere the human goes, I go. I'll play her fake boyfriend. Sleep in her bedroom. Go to her prep school classes. Take her to the homecoming dance. I will learn all her secrets, find out all her games. By the time I'm done with her, she'll be sorry. Sorry she ever set foot in our shop. Sorry we ever met. Sorry she made me fall for her.

Three smoking hot alien brothers who all want to mate with me. Whatever is a girl to do? No matter what they tell you, alien abduction isn't at all like what you see on TV. First, I'm rudely abducted and knocked unconscious. Second, I wake up to an alien monster who wants to... er... "mate" with me, but he's got huge claws, huge fangs, huge... everything.

I realize I've been taken by a race of sexy humanoid men. The bonus? They look like fitness models, they all think I'm the most attractive woman they've ever seen, and they can conjure my deepest fantasies out of thin air. The catch? I'm supposed to woo their prince and future king, and give him an alien baby. The problem is I'm more attracted to his brothers, and the dirty fantasies they show me. On Earth, I was a good girl, but these aliens show me just how naughty I can be. Now my biggest problem is which brother to choose. And just how far will I let them go? ****Content warning: For readers 18 years and older. Contains explicit sexual situations, and sensitive subjects. For five years - one thousand, nine hundred and twenty-two nights to be exact - I've watched her from afar... Protecting her. Keeping her safe from the world. And stalking her every move. What started as a favor for her brother has grown into something so much more. A full-blown obsession. I can't sleep, I can't eat, unless I get my Meredith fix. Claiming her could start a war, and might very well result in my death. But she's mine, she's always been mine. She just doesn't know it yet.

NO ONE TAKES WHAT'S MINE. The lovely attorney kept a secret from me. A baby she's been carrying since Valentine's night. The night we were thrown together by the roulette wheel. She never contacted me. Meant to keep me in the dark. She's about to find out what happens when you cross a bratva boss. Punishment is in order. Sequestering until the birth. And I'll use that time to win her surrender. Because I don't just plan to keep the baby— I plan to make his mother my bride. And it would be much better for both of us if she were willing. female who stole my heart while I stole her body. Kailani I'm an upgraded human. Genetically modified by my Kraa masters to be immune to any illness. Faster. Stronger. A better slave for the new master who buys me at auction. I planned to escape before that happened. But those plans were thwarted by the giant purple horned alien. The warrior didn't buy me—he stole me. And now he's bringing me back to his planet. He says my life will be more than tests in a lab but I don't know if I can trust him. I don't know if I can trust my own judgment. Not when I'm falling for him more and more every planet rotation...

THE ZANDIANS STILL NEED BRIDES. It's the Zandian Lights festival, and the king declared a free-for-all. All human females may mate without petition. Without multiple partners. Without promises. Two warriors have pledged themselves to me, but I can't get excited about becoming their bride. There's only one purple-skinned male who excites me- Mykl, my master and supervisor. The gruff male with a dislike for humans. But I've also seen heat in his eyes, a tilt of his horns when he looks at me. So this holiday, my only wish is to snag his attention. And maybe even his heart.
