Runes are the ancient Norse alphabet used for communication, divination, and magical work. Here, American runologist Edred Thorsson provides an in-depth guide to the world of runes for beginners and enthusiasts alike. Thorsson's presentation of this powerful system provides a valuable tool for self-development and spiritual transformation. The Big Book of Runes and Rune Magic: Introduces the 24 runes of the Elder Futhark along with their definitions and mystical properties Explores the historical lore of runes using archaeological evidence to explain where the runes come from, what they mean, and how they evolved Reveals the hidden lore and esoteric dimension of runes, looking at the cosmology of the Old Norse to explain the role runes played and how they were used over time Includes specific sections on rune magic and divination, rune poems, and runic numerology, as well as instructions on how to make your own runes and imbue them with numinous power, arrange the optimum setting for a rune reading, and prepare yourself psychologically and spiritually for casting the runes This book includes material from the author's previous books Futhark, Runelore, and Runecaster's Handbook.

You are about to encounter and receive an innovative and truly amazing system of holistic, energetic, and spiritual healing. This therapeutic system offers purification and protection, wholeness and empowerment, upliftment and guidance, bliss and joy, and serenity and freedom. The Golden Codes of Shamballa can be used as potent tools to receive answers to your questions and manifest happiness in your daily life. This energy system consists of 153 numerical codes of pure light, love, and spirit. They were manifested and generously offered by the infinite, eternal, almighty, and omnibenevolent dimension of spirit, Shamballa. Shamballa is the ethereal crystal residence of the great teachers and the holy archangels of light-the divine spirit beings of the highest wisdom, compassion, beauty, and primordial perfection. The holy archangels of light and the great ascended masters of Shamballa devote themselves to supporting humanity in realizing its potential. And now, with celestial wisdom and heavenly love, they bless us once more with the Golden Codes of Shamballa. - What Are the Golden Codes of Shamballa? * Transcendental, energetically activated, spiritually attuned, and multidimensional codes of light. * Sequences of numbers that enhance, boost, and uplift one's energy level and level of consciousness. * Higher consciousness keys that activate different aspects of the universal cosmic energy, the spirit, and the creative cosmic mind. * An easy-to-use, immediately effective system that directs and manifests one's intention to the outer world, everyday life, and material reality. * An effective, simple, practical, and easy-to-use means to balance the two aspects of the mind, logic and intuition, through the parallel invocation of coded serial numbers on the one hand and spiritual energies, qualities, and powers on the other. * Illuminating codes that multiply the intention and vibration of love and light on earth and actively contribute to the highest good of all. * Amazing numerical spiritual forms; truly precious "spiritual vitamins!" * A gift to humanity!

MORE THAN FORTY-FIVE YEARS OF INTENSIVE STUDY and thousands of experiments with people from all walks of life have gone into the creation of what I call Perfect Living. And what is Perfect Living? Perfect Living is a state of absolute self-togetherness, a union of the conscious and subconscious selves for the ultimate good and benefit of your whole person. Though this union of an individual's two selves has been much written and talked about, little has been accomplished to bring it down to a tangible level. In my own mind-science studies I concentrated on discovering a practical method of uniting the conscious mind and the subconscious, and found a technique through which such a union can be achieved. My technique calls for four easily adopted attitudes and the use of switchwords, a means by which the conscious mind can "talk to" and direct the thought patterns of the subconscious. Through these switchwords the conscious person gains the cooperation of his subconscious self, creating an inner harmony that brings immediate results. For example, how often is your day spoiled by a persistent, nagging pain or headache? Aspirin may bring temporary relief, but it doesn't get to the cause, and the pain returns. Wouldn't it be wonderful to be able to utter a single word which would instantly cause all pain to vanish? There is such a word, and Chapter 9 of this book explains in detail how you can make it work for you. Or have you ever lost or misplaced some important or valuable possessions? The more desperately you search for the object, the more it seems to elude you. But with one of the magic switchwords you relax and let your Inner Self bring you to the thing you are searching for. Chapter 8 covers the details on how you can turn on your own finder machinery. These are only two small examples of what Perfect Living and its switchwords can do for you. With Perfect Living you can do anything. You can: 1. Conquer all your fears. 2. Learn to relax. 3. Keep yourself forever young. 4. Overcome despair and "blue" moods. 5. Begin to know yourself. 6. Get along better with other people. 7. Set goals and achieve them. 8. Gain money and new prosperity. 9. Free yourself of bad habits. 10. Achieve glowing health and freedom from pain. 11. Release your hidden abilities. 12. Be a permanently happy person, invulnerable to any upset or setback. But the benefits of Perfect Living are endless and the book itself explains them all to you. Why not put this modern miracle to work now? Make Perfect Living a part of your life!

Discover how to talk instantly to your subconscious and manifest the life you want.

Almstedt shares her personal story of how she connected with the Divine and shows how to use these powerful and graceful symbols in healing. Drawings of 88 symbols and the channeled messages are included, as well as personal healing stories.

This underground magick can satisfy your desires, meet your needs, while protecting you, bringing fortune, influence, passion, justice, and money. Combine the magick of angels and demons and you get an unheard-of way to control your life. The Union of Power is a priceless method for tasking the angels and demons, without any sacrifice or lengthy rituals. Discover sigils and methods that have been kept secret, until now. There are hundreds of books about the seventy-two angels, and thousands of books about the demons of Goetia, but there has never been anything like this. The harmony of power is created by getting the demons to operate in the realm where they thrive. They are overseen by the wisdom and might of the angels. The magick is safe, comprehensive, and uncomplicated. You get to use over four hundred spectacular powers, and all can be adapted to create thousands of magickal outcomes. The huge range of powers gives you great freedom and means this book could be the focus of your magick for a long time, with solutions for almost any problem. These secrets are backed up by a lifetime of research, and all the proof you need is provided. The joy is discovering that this staggering magick can bring you a remarkable life. Henry Archer has written an extraordinary masterwork of thrilling ideas that finally unlock the magick of angels and demons.

This is a long awaited book. It always seemed that it was Kevin's task to write it. He was the mouth piece for the Archangel Metatron and the Ascended Master Djwhal Khul. Kevin left the incarnation in June 2009 without starting. The words you are now holding in your hand are a gift from Spirit; from Kevin, Metatron and Djwhal Khul. In this book there are not just words but through it flows healing and inspiration. It includes channellings, meditations, mini processes and an Archangelic Horoscopes. Some of the ideas may be new and challenging. It is my prayer that it informs, inspires and above all revolutionise the way Healing, Health and The Angelic Kingdom are viewed. Christine Core Angelic Reiki is the pure joy of working hand in hand with the Angelic Kingdom of light. Angels have guided you to this place. They are around you now inviting you to be their servant on earth. Angelic Reiki is the pure joy of working intimately with the Angelic Kingdom of Light. "A loving tribute to her husband Kevin and his work, the book he was unable to write. Christine Core presents the birth, growth and purpose of Angelic Reiki with beautiful clarity, proving it to be a unique and sacred gift to humanity. This book is packed full of profound spiritual truths and gives the reader uncompromising insights into our journey on the spiritual path. A must read for all those wishing to deepen their connection to the angelic realms." Claire, Paradigm Shift Magazine

In every moment the universe is whispering to you. Even ordinary events in your life carry communications from the realm of the Spirit. . . . Whether we are conscious of it or not, the universe is communicating to us through signs. In this mind-opening book, renowned healer and author Denise Linn shows that coincidence, synchronicity, and those premonitions we've all experienced are never accidents but a kindly world's way of trying to nudge us in the right direction. Drawing on firsthand true stories and native wisdom from around the world, Linn helps us regain our innate capacity to listen to the universe, to use the signs that speak to us every day of our lives. Step by step, she shows us how to call for a sign, how to create the best conditions for receiving it, and how to interpret the signs we receive, with the most comprehensive dictionary of signs ever compiled. Designed to help you develop your own ability to interpret signs as they call to you, the dictionary entries give you a starting point for understanding what your signs are communicating. For instance . . . * An abyss might symbolize a chasm in your life. Is there something that seems impassable to you? * A storm can indicate internal conflict. It can also indicate that the air is clearing in regard to a situation in your life. * A crossroads signifies that a time of decision is ahead. Take time and tune in to your intuition before choosing your future path. * Smoke can be a warning of danger. Is there a situation in your life that's about to go up in flames? Smoke can also indicate a lack of clarity. With this powerful, easy-to-use guide, Denise Linn helps us to reconnect with the magic of our inner selves to make the right decisions and choices in our lives.

Dreams are gateways to other worlds, times, and planes of existence. They are sacred portals through which we receive powerful messages from Source, often in the form of symbols brought to us by our dream guide and the angels. In this book, Doreen Virtue and Melissa Virtue discuss where dreams come from, how to interpret them, what role angels play, and whom to call upon for guidance. You'll gain tools to enhance your dreamtime journeys, including techniques for creating your own dreams and improving your recall upon awakening. In addition, you'll learn to identify the different types of dreams by reading personal stories and interpretations that will help you decode your dream messages.

As you read "30 Days of I Am," Debbie Z Almstedt will teach you the power of using affirmations and Angelic symbology to remember your magnificence. Her colorful original artwork will further assist you in tapping into the high vibrational Angelic energies. Debbie explains the most optimal way to draw these symbols as you focus on the hope, love and encouragement intended to lift your life experiences. Crystal reiki combines crystal layouts with energy healing to treat a variety of ailments--and people are embracing this hot new technique. Both professionals and amateur healers will want this illustrated, comprehensive guide, which teaches the fundamentals of crystals and chakras; how healers should prepare themselves for their work; four levels of healing; and the importance of self-care for healers themselves.

Can a single word create miracles? Switchwords are straightforward and easy to use. Switchwords are simply words that "Switch" on your subconscious mind; sort of like switching on a light. They are, in many ways, one word affirmations. But unlike the conventional affirmations that don't work, these one word miracles do. Why don't traditional affirmations work? A subconscious block is why an affirmation like "I am prosperous and I have plenty of money" does not work. The subconscious mind will throw that affirmation out because it is bumping up against an ingrained pattern you have that runs counter to the affirmation. This ingrained pattern needs to be bypassed. Often, the more you say affirmations like "I am prosperous and I have plenty of money" the more your subconscious mind will resist and cause you to fall further into financial problems. It is happening all the time. Notice that after the Law of Attraction took center stage in 2006 through the Secret, Individual and global prosperity had declined sharply. Why

are Switchwords different? Switchwords bypass the resistance of your subconscious mind. They are switches, they don't give the subconscious mind time to process whether something you want is achievable or not. It just gets you in the right state of mind. They effectively BYPASS the old pattern instead of fighting it like the other methods do. Switchword Miracles will teach you everything you need to know about how to use these amazing single-word affirmations.

Whatever faith we personally subscribe to, angels cross those boundaries and find their way into our lives. They remind us that we are not alone; that we are all guided and protected from another world. The angels "will flock to assist us"—this is their simple yet solemn promise.

The Butterfly Lovers Story, sometimes called the Chinese Romeo and Juliet, has been enduringly popular in China and Korea. In *Transforming Gender and Emotion*, Sookja Cho demonstrates why the Butterfly Lovers Story is more than just a popular love story. By unveiling the complexity of themes and messages concealed beneath the tale's modern classification as a tragic love story, this book reveals the tale as a rich academic subject for students of human emotions and relationships, comparative geography and culture, and narrative adaptation. By examining folk beliefs and ideas that abound in the narrative—including rebirth and a second life, the association of human souls and butterflies, and women's spiritual power—this book presents the Butterfly Lovers Story as an example of local religious narrative. The book's cross-cultural comparisons, best manifested in its discussion of a shamanic ritual narrative version from the Cheju Island of Korea, frame the story as a catalyst for inclusive, expansive discussion of premodern Korean and Chinese literatures and cultures. This scrutiny of the historical and cultural background behind the formation and popularization of the Cheju Island version sheds light on important issues in the Butterfly Lovers Story that are not frequently discussed—either in past examinations of this particular narrative or in the overall literary studies of China and Korea. This new, open approach presents an innovative framework for understanding premodern literary and cultural space in East Asia.

Reveals how the number science found in ancient sacred monuments reflects wisdom transmitted from the angelic orders • Explains how the angels transmitted megalithic science to early humans to further our conscious development • Decodes the angelic science hidden in a wide range of monuments, including Carnac in Brittany, the Great Pyramid in Egypt, early Christian pavements, the Hagia Sophia in Istanbul, Stonehenge in England, and the Kaaba in Mecca • Explores how the number science behind ancient monuments gave rise to religions and spiritual practices The angelic mind is founded on a deep understanding of number and the patterns they produce. These patterns provided a constructive framework for all manifested life on Earth. The beauty and elegance we see in sacred geometry and in structures built according to those proportions are the language of the angels still speaking to us. Examining the angelic science of number first manifested on Earth in the Stone Age, Richard Heath reveals how the resulting development of human consciousness was no accident: just as the angels helped create the Earth's environment, humans were then evolved to make the planet self-aware. To develop human minds, the angels transmitted their own wisdom to humanity through a numerical astronomy that counted planetary and lunar time periods. Heath explores how this early humanity developed an expert understanding of sacred number through astronomical geometries, leading to the unified range of measures employed in their observatories and later in cosmological monuments such as the Giza Pyramids and Stonehenge. The ancient Near East transformed megalithic science into our own mathematics of notational arithmetic and trigonometry, further developing the human mind within the early civilizations. Heath decodes the angelic science hidden within a wide range of monuments and sites, including Carnac in Brittany, the Great Pyramid in Egypt, Teotihuacan in Mexico, early Christian pavements, the Hagia Sophia in Istanbul, and the Kaaba in Mecca. Exploring the techniques used to design these monuments, he explains how the number science behind them gave rise to ancient religions and spiritual practices. He also explores the importance of lunar astronomy, first in defining a world suitable for life and then in providing a subject accessible to pre-arithmetic humans, for whom the Moon was a constant companion.

This is a book written and illustrated by Chantal Cash. Contributions were made by Linda Phillipi and she was my co-partner on the creation of the cards. The book is a handbook or guide that can go along with the cards or be read separately. They are symbols for various uses and purposes for not only energy workers but people who like symbols and wish to work with them. There is a Healing Deck, A One Word Deck, A Nature Deck, A Spiritual Deck and a Miscellaneous symbol Deck. There is a brief description and an image of each symbol. Symbols are expressions from Creation and there are also sigils in the book as well for those who respect the language of the Angels and would like to learn from them.

A Dictionary of Moroccan Arabic presents, in a range, the core vocabulary of everyday life in Morocco - from the kitchen to the mosque, from the hardware store to the natural world of plants and animals. It contains myriad examples of usage, including formulaic phrases and idiomatic expressions. Understandable throughout the nation, it is based primarily on the standard dialect of educated Moroccans from the cities of Fez, Rabat, and Casablanca. All Arabic citations are in an English transcription, making it invaluable to English-speaking non-Arabists, travelers, and tourists - as well as being an important resource tool for students and scholars in the Arabic language-learning field.

A complete guidebook of angelic energy healing and spiritual empowerment. Over 250 angelic symbols of supreme spiritual energy to connect with the highest angelic dimensions and receive the purest divine energies of Life, Light, and Love.

In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actuality, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In

this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century.

Women in the Ancient Near East offers a lucid account of the daily life of women in Mesopotamia from the third millennium BCE until the beginning of the Hellenistic period. The book systematically presents the lives of women emerging from the available cuneiform material and discusses modern scholarly opinion. Stol's book is the first full-scale treatment of the history of women in the Ancient Near East.

In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian -- the language of the angels. Donald Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. The rest of the work consists of a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and a basic Enochian-English/English-Enochian dictionary. The result is a fascinating linguistic and magical mystery story, integral to any study of the Enochian tradition. Stephen Skinner's lucid Preface sets the tone and historical context for today's readers.
