

Zoom The Complete Paper Airplane Kit

Complete with a brand-new cover by Cameron Eagle, this bestselling book shows kids how to make lots of different paper planes, such as the Super Looper. These step-by-step instructions come with 20 sheets of colored plane-making paper and 80 colorful stickers to decorate the planes. Illustrations.

More than 150 million Americans were born after the post-World War II years. Almost all of them know, remember, and hold dear to their hearts the numerous memories that stretch From ABBA to Zoom. Take a walk . . . down memory lane, you Boomers and Gen Xers! From ABBA to Zoom is sure to grab anyone born in the 1950s, '60s, '70s, or '80s. Whether you grew up watching The Huckleberry Hound Show, Johnny Quest, or Sesame Street, this cultural encyclopedia is sure to draw you into a nostalgic and fun-filled read that you just can't put down. American pop culture aficionado David Mansour spent 18 years accumulating an extensive collection of dolls, lunch boxes, board games, TV memorabilia, and other items from the 1960s through the '90s. That fascination, along with his lifelong lists--from "best toys" to "all-time coolest singers"--were the genesis for this wide-ranging volume of Boomer and Generation X treasures. Readers will relish the mere mention of some of their greatest childhood and adolescent connections, then rush to learn the well-researched details behind those icons. Farrah Fawcett's feathered hair, James Bond movies, Lost in Space, Woodstock--it's all here! In page after page, more than 3,000 references arranged alphabetically make this a true trip through the Boom Times. Totally groovy!

Includes coverage that ranges from fighter planes to robots, dragons and sharks. This title features instructions on how to fold and throw the planes.

Provides instructions for creating twenty-five paper airplanes using single sheets of paper.

****Winner of the 2016 Creative Child Magazine Product of the Year Award**** Kids will love to fold and fly these sturdy, aerodynamic paper airplanes! In this brand new origami book with folding papers, paper airplane expert Andrew Dewar presents his ultimate collection of easy-to-fold, high-performance planes for kids who are fascinated by paper or origami airplanes. These planes are brightly colored and designed to fly beautifully every time. The book opens with a fascinating primer on the principles of flight so kids can learn about the forces that enable a plane to fly and affect the performance of their planes. They'll have fun coaxing the planes through their paces: doing loops, barrel rolls, glides and dives. The sky is the limit once they understand how planes interact with the atmosphere! This paper airplanes kit contains: 12 innovative designs 48 pre-cut paper airplane models Detailed instructions for each paper plane Special, durable lightweight cardstock Printed folding lines for perfect folds Colorful and realistic designs A pull-out airport runway for landing maneuvers

A book about the best paper airplane on the planet (The Nakamura Lock) and a box containing pre-printed and partially folded paper for airplane making.

First the big planes got their turn, and they've made the most of it: The World Record Paper Airplane Book and Kids' Paper Airplane Book together have over a million copies in print, and they're still soaring. But now they've got a new little sibling: Pocket flyers Paper Airplane Book, a flyaway impulse book if ever there was one. Developed by the same team of Ken Blackburn and Jeff Lammers, Pocket Flyers Paper Airplane Book features 12 Lilliputian-size models, for a total of 74 planes. The models are about one-quarter the size of the planes in the previous books and are designed with original full-color graphics. There are easy folding instructions for each, as well as special tips on how to fly smaller aircraft. The portable package and its planes are perfect for small spaces: the office, the den, the back of the minivan, drinking establishments. The obsessed among us will try to establish a mini plane world record. The rest of us will be content to just fly these flashy Piper cubs of paper from one side of the room to the other. And with the Microjet, Angelfish, Flying Sneaker, Gargoyle, and Dragonfly, there promises to be a lot of contentment. 210,000 copies in print.
